ROLES & ACHIEVEMENTS

- Successfully completed 80+ projects for clients worldwide, delivering high-quality web and app solutions.
- Utilized knowledge of PHP, HTML, CSS, Java, and various CMS and frameworks like WordPress, Laravel, CodeIgniter, etc., to create engaging and user-friendly websites and applications.
- Developed and published more than 30 apps on Google Play Store, showcasing strong expertise in Android app development using Java, Flutter, and Ionic. Also, ranked in Google Play TOP 10 Paid Apps
- Managed digital and social media marketing campaigns, achieving exceptional results for both celebrities and government entities.
- Oversaw social media pages with a combined total of over 4 million followers on Instagram and Facebook, driving brand awareness and engagement.
- Maintained a successful YouTube channel with 25k subscribers and over 2.5 million views, creating and sharing valuable content. I was a judge at a national level fest at KMC Manipal
- Provided audio mixing and mastering services as a skilled vocalist and audio engineer, winner of the Baiyya Contest, gaining recognition from the legendary Arijit Singh and signing contracts with Sony Music India.
- Hosted a workshop on web development fundamentals, conducted in collaboration with Mozilla team, to educate and empower aspiring web developers.
- Worked as a content writer and UI/UX designer for a popular blog - BackBenchers, contributing valuable insights and creating engaging user experiences.
- Collaborated on Cyanogen OS/Cyanogen MOD, now called Oxygen OS, on OnePlus Devices, and currently involved in testing new devices for the Nothing Team.
- Strengthened corporate partnerships and collaborations, driving business growth and expansion.

- Conducted market research to identify potential clients and developed strategies to engage with them effectively.
- Facilitated workshops and events to connect students with industry professionals and enhance their employability.
- Proficient in WordPress, HTML5, Java, CSS3, JavaScript, jQuery, and PHP.
- Extensive knowledge of web applications, API, REST, SOAP, and web user interface design.
- Strong understanding of cross-browser compatibility and security principles.
- Experience in Windows and Linux environments.
- Familiarity with content management systems like WordPress and Laravel.
- Exceptional problem-solving skills and dedication to innovative and sophisticated designs.
- Led successful e-commerce application development projects, resulting in a significant increase in online sales and customer engagement for clients.
- Proven track record of efficiently coordinating multiple projects simultaneously, meeting all deadlines, and exceeding client expectations.
- Implemented effective version control practices using GitHub, leading to streamlined collaboration and improved team efficiency.
